ORDER:

In the reference read above, the Vice Chairman & Managing Director, A.P. Industrial Infrastructure Corporation Ltd., has stated that, A.P. Industrial Corridors Infrastructure Development Corporation Limited (APICDC) proposed to develop the Orvakal and Kopparthy nodes in Andhra Pradesh to enhance manufacturing capabilities and economic growth. In this regard, APICDC has planned to develop an area of about 2,595.74 acres in Kopparthy under phase-1. The Industrial Node will be developed as greenfield smart city of global standards, 'built ahead of demand' on the principles of 'Plug-n-Play' and 'Walk to work' concepts.

2. The project proposal of the Kopparthy Node under Visakhapatnam Chennai Industrial Corridor (VCIC) has been accorded approval by National Industrial Corridor Development and Implementation Trust (NICDIT) Board during its meeting held on 08.07.2024. The total estimated cost of project Rs.2,136.51 Crores (Infra cost of Rs.1,264.44 Crores + land cost of Rs.872.07 Crores) was

approved. The project shall be owned and operated by the SPV i.e APICDC between NICDIT (GoI) and APIIC (GoAP) in the ratio of 50:50. NICDIT will contribute its equity share of Rs.872.07 Crores in the SPV, which is equivalent to the land cost of Rs.872.07 Crores as contribution by APIIC and in addition, it will bring a debt of Rs.200 Crores to the SPV with a 10-year moratorium from start of the project and 12 years repayment period with interest based on 10-year G-Sec rate and Rs.192.37 Crores will be met from internal Accruals through monetization of land. The EPC tender and Procurement Process will be based on the prevailing market prices and as per the Schedule of Rates (SoR) in the State of A.P. for the year 2024-25. The scope of all the components of the project development works include Roads, Bridges, Utilities, STP, CETP, Landscaping, Solid Waste Management, Administrative Building, ICT Cost, O&M cost and other costs like contingencies, Construction supervision charges, Administrative Charges, Quality Control Charges and Construction Safety Cost.

3. The Vice Chairman & Managing Director, A.P. Industrial Infrastructure Corporation Ltd., has requested the Government to accord Administrative Sanction for the work of Design, Construction, Testing, Commissioning and Operation & Maintenance of infrastructure works at Kopparthy Node under the Visakhapatnam Chennai Industrial Corridor (VCIC) on EPC basis for Rs.1,264.44 Crores and also accord exemption from tender premium percentage cap of 5% (being adopted for the state government) works in this Kopparthy Node Development works and future works taken up under NICDIT Frame Work, as per NICDIT Frame Work and being followed in all the States (including in AP for KRISCITY Project under NICDIT) and as per the SHA and SSA agreements entered with GoI by GoAP for the NICDIT Projects in the State.

4. Government after careful examination of the matter, hereby accord Administrative Sanction for the work of Design, Construction, Testing, Commissioning and Operation & Maintenance of infrastructure works at Kopparthy Node under the Visakhapatnam Chennai Industrial Corridor (VCIC) on EPC basis with an amount of Rs.1,264.44 Crores and accord permission to A.P. Industrial Infrastructure Corporation Ltd., (APIIC) / AP Industrial Corridors Infrastructure Development Corporation Limited (APICDC) for exemption of tender premium cap of 5% (being adopted for the state government works) in this Kopparthy

Node Development work and future works taken up under NICDIT Frame Work.

6. The Vice Chairman & Managing Director, A.P. Industrial Infrastructure Corporation Ltd., and the Managing Director, AP Industrial Corridors Infrastructure Development Corporation Limited (APICDC), shall take further necessary action accordingly in the matter.

7. This order issues with the concurrence of Finance Department vide their U.O.No. FIN01-FMU0PC(IC)/32/2024-FMU-IC-IIE (Computer No.2602849), dt.18.03.2025.
